## **FLAG DAY IN THE UNITED STATES OF AMERICA**

Flag Day falls within National Flag Week, a time when Americans reflect on the foundations of our nation's freedom. Our flag represents freedom, and has been an enduring symbol of our country's ideals since its early days. During both events, (Flag Day & Flag Week), Americans reacquaint their loyalty, & reaffirm their belief in liberty and justice, & observe the nation's unity. *(Although Flag Day is observed nationwide, it is not a USA public holiday.)*

Many people honor this day by displaying the American flag at homes and public buildings. Other popular observances include flag-raising ceremonies, Flag Day services, school quizzes & essay competitions, musical salutes, street parades, and special recognition awards.

The National Flag Day Foundation is actively involved in coordinating activities centered on the event, and keeping the flag's traditions alive. Following "Flag Day" is "Honor America Days," a 21-day period straight up to Independence Day, *The Forth Of July*. During this period, people hold public gatherings and activities to celebrate and honor our Flag and our Nation.

On June 14, 1777, the Continental Congress replaced the British symbols of the Grand Union flag with a new design featuring 13 white stars in a circle on a field of blue, and 13 red and white stripes – one for each state. Although it is not certain, this flag may have been made by the Philadelphia seamstress Betsy Ross, who was an official flag maker for the Pennsylvania Navy. The number of stars increased as new states entered the Union, but the number of stripes stopped at 15, and was later returned to 13.

In June 1886 Bernard Cigrand made his first public proposal for the annual observance of the birth of the flag when he wrote an article titled "The Fourteenth of June" in the old Chicago Argus newspaper. Cigrand's efforts finally paid off when President Woodrow Wilson issued a proclamation calling for a nationwide observance of the event on June 14, 1916. However, Flag Day did not become "official" until August 1949, when President Harry S. Truman signed the legislation and proclaimed June 14 as Flag Day. In 1966, Congress also requested that the President annually issue a proclamation designating the week in which June 14 occurs as National Flag Week.

The President is requested to issue a proclamation each year to call on government officials in the USA to display the American flag on all government buildings on Flag Day. US residents were also urged to observe Flag Day as the anniversary of the adoption of the Stars and Stripes as the official flag of the United States of America, by the Continental Congress.

The American flag, also nicknamed as "Old Glory" or the "Star-Spangled Banner," has changed designs over the centuries. It consists of 13 equal horizontal stripes of red, (top & bottom), alternating with white stripes, and a blue rectangle in the canton bearing 50 small, white, five-pointed stars. Each of the 50 stars represents one of the 50 states in the United States, and the 13 stripes represent the original 13 colonies that became the first states in the Union.

## **EXALTED RULER'S MESSAGE**

Micheal E. Norway, PER, PDD

With the trees budding leaves and flowers blooming blossoms, June has finally arrived. With it comes some warm weather which is fast approaching and most welcome after a long winter and very short Spring.

This year's ELKS State Convention was once again a huge success, and a great time was had by all who attended. For more information and photos, go to <http://www.nh-elks.org/>

On June 10th, we will be having the initiation of new members. This will be climaxed by our Flag Day Celebration where we honor our country's flag. (See inside for itinerary.) This ceremony is a very special event, as it incorporates many Veteran's organizations as well as the Boy Scouts, who assist with the pageantry of the flags. I would encourage all members, families, & friends to come to the Lodge and learn the history of their country's Flag, including lore, tradition, and slices of Americana on how we became what we are today.

The ELKS Golf League should be in full swing by now, (pun intended). More info and updates will be announced herein as it becomes available.

*Regarding membership;* if you know a worthy person that you would invite inside your home and would break bread with, ask them if they would be interested in becoming a member of the ELKS. Invite them to get involved with our great Fraternal Organization. A good ELK is one that gets involved and helps their fellow man and woman, as well as Veterans of every stripe.

With that being said "**A GREAT ELK**" is one that is in "good-standing" with the Lodge. So if you haven't paid your dues as yet, please take the time to ensure that your yearly membership obligation has been fulfilled.

In closing, as summer is approaching, please be safe and enjoy.

### **FLAG DAY CEREMONY, JUNE 10, 2018**

Flag Day is a day for Americans to celebrate and show respect for the flag that represents our independence and our unity as a nation. Our flag has a proud and glorious history and has waved in every battle fought by Americans. Many have died protecting both it, and our freedom. Please join us in this ceremony to honor "Old Glory" through it's history of creation & subsequent retirement. When flags are tattered and worn, its time for new ones to muster in their place. These star-spangled warriors are retired in a dignified ceremony of fire. With crackling embers and soaring flames, they once again evoke the memories of the rockets glare at Fort McHenry. And as a final gesture, their smoke wafts on high, filling the air with American pre-eminence through freedom and peace. *We again invite you to be part of this important slice of Americana. Our flag presentation, assisted by the Boy Scouts, will begin INSIDE our Lodge, and then proceed OUTDOORS to conclude our ceremony with the renewal of new Flags, and the retirement of dated Flags. A light meal will follow the Ceremony.*

## COMMUNITY THEATER AT ELKS 720 ??? WHY NOT !!!

We ask our membership if there would be any interest in Community Theater at ELKS? We certainly have the venue, and modest stage lighting & scenery is available. (We're making this up as you're reading this.)

So if you think you'd be interested in "Broadway on Murphy Drive," E-Mail to Editor Mary McMahon, [mrdmelks720@gmail.com](mailto:mrdmelks720@gmail.com), or drop a note in our secure suggestion box in the Grille Room.
