Submitted by ER Micheal Norway June 2022:

With the trees budding leaves and flowers blooming, June has finally arrived. With it comes some warm weather which is fast approaching and most welcome after a long winter and very short spring. On June 12th, we will be having the initiation of new members. This will be climaxed by our Flag Day Celebration where we honor our country's flag.

This ceremony is a very special event, as it incorporates many Veterans' organizations as well as the Boy Scouts, who assist with the pageantry of the flags. I would encourage all members, families, & friends to come to the Lodge and learn the history of their country's Flag, including lore, tradition, and slices of Americana on how we became

what we are today.

The ELKS Golf League should be in full swing by now, (pun intended).

Regarding membership; if you know a worthy person that you would invite inside your home and would break bread with, ask them if they would be interested in becoming a member of the ELKS. Invite them to get involved with our great Fraternal Organization. A good ELK is one that gets involved and helps their fellow man and woman, as well as Veterans of every stripe.

With that being said "A GREAT ELK" is one that is in "good-standing" with the Lodge. So if you haven't paid your dues as yet, please take the time to ensure that your yearly membership obligation has been fulfilled. This is your lodge and volunteering for different activities around the lodge helps make the lodge more fun and enjoyable for everyone.

In closing, as summer is approaching, please be safe and enjoy.

FLAG DAY CEREMONY, JUNE 12, 2022 at 1:00pm

Flag Day is a day for Americans to celebrate and show respect for the flag that represents our independence and our unity as a nation. Our flag has a proud and glorious history and has waved in every battle fought by Americans. Many have died protecting both it, and our freedom. Please join us in this ceremony to honor “Old Glory” through it’s history of creation & subsequent retirement.

When flags are tattered and worn, its time for new ones to muster in their place. These star-spangled warriors are retired in a dignified ceremony of fire.

With crackling embers and soaring flames, they once again evoke the memories of the rockets glare at Fort McHenry. And as a final gesture, their smoke wafts on high, filling the air with American pre-eminence through freedom and peace.

We again invite you to be part of this important slice of Americana. Our flag presentation, assisted by the Boy Scouts, will begin **INSIDE our Lodge, and then proceed **OUTDOORS** to conclude our ceremony with the renewal of new Flags, and the retirement of dated Flags. A light meal will follow the Ceremony.**
