AS THE STATE continues to flex open and more restrictions are lifted and we are able to add events your newsletter will get back to "normal" with graphics and more information, we have strived to provide you with the most updated information during the pandemic.

ER message March 2021-Submitted by Don Ossinger;

My last ER message, wow has time flid. It been an odd Elk year with the Virus protocols closing our lodge twice during the year. I want to thank all of the Members and officers that helped us get back open and safe and safe again and again. I watch members on busy nights chipping in to get us over the hump, a big thank you. We have had to cancel many of our traditions and fund raising events throughout the year but we made it work and came out strong for our charities. We have done great things for the Veterans, the children, Families in need and even the furry friends at Nashua Humane society. Every one of us make Elks work from this newsletter to safety inspections and covering for employee absences. Lastly I would like to thank my officers that work very hard behind the scenes to do the work for 700+ members Kelly, Dave, Phil, My Esquire Norm, Annette, Crystal & Larry, Cheryl, Ernie, Mike, Wayne, Rick, Chris, Derek, Nick and all of the committee chairs.
