Submitted by ER Micheal Norway March 2023:

How time flies by so very quickly. Here it is March again, and we're already gearing up for the new 2023-2024 Lodge year. There have been enormous strides made in the great world of ELKdom as follows: Veterans Support; Youth Programs; Community Service; Hosting American Red Cross Blood Drives; Spreading the Anti-Drug Message; Memorial Services; Awarding Scholarships by the Grand Lodge and the Nashua Lodge which, directly and indirectly, impacts our entire community and our quality of life. We welcomed new members into our Lodge. Please welcome these new brothers & sisters. Urge them to participate in the many available programs our Lodge offers and welcome any new ideas that they may have. Washington's Birthday Celebration was once again a great hit this year. We had members coming down all day, hanging out and reminiscing. Don't miss the Annual State Cribbage Tournament on Mar. 5TH that is being hosted by Lebanon Lodge. Let's go and get the trophy.

This will be my last "ER Message." I want to say thank you to the Nashua Lodge Officers and our membership for all the support that I've received during my tenure.

Being Exalted Ruler has been a very humbling experience, especially in learning to be impartial, and taking up the rigors of unpopular decisions that have to be made, as well as keeping the ship on a straight and narrow course. Please understand there were fun times and smiles along the way. ("Food-for-thought" for next year's officers.) Enter each chair to which you are elected or appointed with open eyes and an open mind. Focus on the best possible representation for the betterment of our Lodge and its members.

Micheal Norway, Exalted Ruler
