Submitted by ER Robert Schneider May 2023:

Here we are in May and the warm weather has finally arrived. With warmer days upon us our Elks Riders and all two wheeled enthusiasts have dusted off their bikes and head out for some " Throttle Therapy". Take the time to look twice, and save a life, not only are the Riders a huge part of our lodge they also do great things within the community with their charitable efforts. Please continue to visit the lodge Facebook Page for upcoming events. We've made some great strides with our social media account, Thank You Nick Disalvo for leading this effort. We're always in need of volunteers, soon we will be placing flags on our fallen hero gravesites across greater Nashua. What a great way for members to bring their children or grandchildren to place flags on the graves of our Departed Veterans and give them a history lesson and a greater understanding of what Memorial Day is really about. Look forward to seeing everyone at the Lodge.

Fraternally,
Rob Schneider
