A NOTE from the editor; Mary R. Dowling-McMahon Please continue to monitor our Facebook page (if you have access) as that will be the quickest most efficient way to get updates on Lodge Happenings. We are in a very unprecedented situation we all find ourselves in. Let us keep positive and we will get through this together!

ALL DATES ARE SUBJECT TO CHANGE/CANCEL based on the current Covid-19 situation. AS THE STATE continues to flex open and more restrictions are lifted and we are able to add events your newsletter will get back to "normal" with graphics and more information, we have strived to provide you with the most updated information during the pandemic.

With the Governor's orders of reopening more and more we hope to be adding more dates/events to our schedule!

WHOOH WHOOH—come on down and support the lodge in these very uncertain times.

ER Message from Donald Ossinger:

I thank you, the membership, for the honor to serve you as exalted ruler. I would like to thank, Robert Schneider for his time he dedicated to make the lodge a better place. These have been trying times for our lodge with the unexpected impact of Covid 19 also forcing our state elks and national conventions to be canceled. It has impacted all of our Elk brothers and sisters and has taken a toll on all Elk organizations, not just our own. Each organization is bound by the restrictions of their state and/or local governments which inhibit the way they operate. This has created an ever changing dynamic to our lodge and membership. Everything in our way of life has changed and we must continue to evolve, adapt and create new ideas to be successful in our future. With the cancellation of large functions, we need to brainstorm as an Elk family to create new ideas of both fund raising, lodge functions and interactions. We need to refocus our core values to continuing our philanthropy work, making a better brighter day for children keeping them away from dangerous narcotics. We shall, persevere together.

Some of the new challenges will require the volunteerism of some of our members for special committees. We need members to transition our lodge to a more e-commerce based, spawn creative social functions as well as socially distance functions, enhance Elk communications, enhance fund raising and help with many pre-established committees. Some of the pre-established committees are a committee of one which I look to strengthen to provide better continuity. Family, work and lifestyle commitments are always very important. Sometimes just a small period of time can make a difference to both you and the lodge in something you enjoy. This is just a small glimpse, I understand that change never comes easy, we must stand tall to progress as Elks, and construct new pathways for the future of our lodge, and membership.

**Stay safe and look forward to meeting you all.
Don Ossinger – Exalted Ruler**
